Barium Messenger

Vol. 23 — BARIUM SPRINGS, N. C., MAY 1946 — No. 7

Medals And Prizes Awarded At Exercises

One of the most pleasing parts of the Barium Springs commencement programs each year is the awarding of various medals and prizes to outstanding students by the Orphanage Superintendent, Mr. Johnston. Few people knew who the ones were who would receive prizes, and it was interesting to watch the expressions of pleasure, and sometimes, surprise, as the names were called.

Cash prizes for those in the grammar grades and high school who made the highest grades during the year went to Tommy Scott, Hazel Creech, Louise Campbell, Shirley Inman, Peggy Neel, Mary Morgan, Ernestine Baldwin, Hannah Price, Margaret Katen, and Dwight Spencer.

Mr. Fred Sherrill of Statesville each year gives forty dollars to be divided among the pupils who have shown the most improvement, not only in scholarship, but also in general attitude, conduct, and effort. This year, those who received awards from this fund were: James Jackson, Sarah Bradshaw, Bobby Johnson, Peggy Plyler, Elizabeth Johnson, Lorene Hall, Frances Adams, Margaret Bullard, Mildred Monroe, Bennie Gregory, Earl Adams, and Roscoe Smith.

Prizes were given to Mary Morgan and Jeane Steppe by the librarian for service to the school through outstanding and consistent work in the library.

Certificates which were received at the District Music Contest in Charlotte some weeks ago were presented to Dorothy Shepherd and Bradley Jean Manus, Soloists, and to representatives of the girls' trio, mixed quartet, and mixed chorus.

Helen Hawley was given a prize by the piano teacher for consistent work in music.

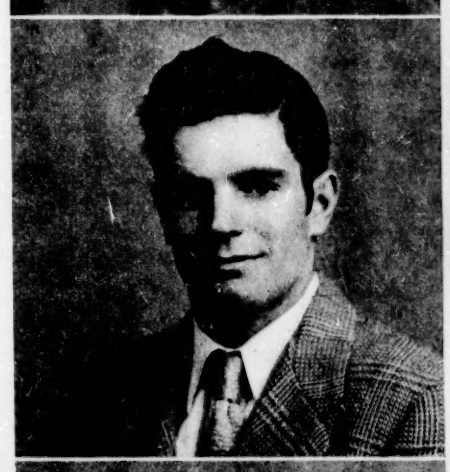
Three medals are presented each year at the commencement program. These are the Bible Medal, Music Improvement Medal, and the Ace Medal. The Bible medal is given to the member of the graduating class who, in addition to doing excellent work in Bible study, has memorized a required number of Bible passages. This medal was won by Lucy Johnson. The Music Improvement Medal was presented to Charles Barrett, a member of the tenth grade. Perhaps the most coveted award of all is the Ace Medal. This medal is given each year to the member of the graduating class who has, according to a vote of the high school students and the teachers and other orphanage workers, made the most consistent effort to take advantage of the facilitles offord for their betterment by the school and orphanage, during their stay at the Presbyterian Orphans' Home. This medal was won by Lucille Smith, and from the applause, this selection seemed to have met with popular approval.

It was announced at commencement last year, that beginning this year, two Ace Medals would be given; the second one to be presented to an alumnus of the school who has remained loyal to the institution and continually endavored to live according to the principles received when a student here. A member of our high school faculty, Miss Irene McDade, was the poplar recipient of this medal.

THE 1946 GRADUATING CLASS

Class President

ROSCOE SMITH - Nearly half of the graduating class entered Barium in 1937. Roscoe entered that year and is the last of the Smith connection from Pink Hill. Of the two families there were nine altogether. Roscoe is the biggest of the lot.



Top to Bottom:

BLANCHE FEIMSTER - Entered in '39 from Taylorsville. She is the oldest of a family of three. She has been cheer leader and general booster-upper for the basketball team for a couple of years. We will all miss her.

AMOS HARDY - The old man of the class, not in point of years but in the number of years that he spent at Barium. He entered Barium in 1931 from Edgecombe County. He started in the Baby Cottage and has lived in Synod, Lees, Jennie Gilmer, and the Quads. He could write a pretty good history of Barium.

DEWIE BELLE BUIE - Is the middle member of five girls who entered Barium from Lemon Springs in 1937. Dewie Belle will be remembered by more boys than any other member of the graduating class. Don't get a wrong idea about this for Dewie has been playing matron to twenty- four Synod Cottage boys for the better part of a year - their ages are from 6 to 10. Dewie Belle is headed to Flora Macdonald College to join her older sister.

BOBBY ARROWOOD, Mascot

Top to Bottom:

LUCY JOHNSON - Entered in 1939 from Tarboro and she plans to live in Tarboro from right now on. Lucy is the second of a family of three girls and leaves a younger sister, Elizabeth, to carry on at Barium.

ADELIA KNIGHT - Entered in 1937 from Greensboro the oldest of two little white-haired girls. Adelia is still white haired, but is not very little. She plans to settle down in Greensboro. We will miss Adelia in many ways, particularly on that basketball team.

LUCILLE SMITH - Salutatorian, entered in 1936 from Glen Alpine. Just ten years a member of our family, ten years from now, we will not have begun to forget her.

Seven Graduate From Barium This Year

The 1945-46 school year for the Barium Springs School came to a close with the usual graduating exercises Monday night, May 13th. A small graduating class; Dewie Belle Buie, Blanche Feimster, Adelia Knight, Amos Hardy, Lucy Gray Johnston, Lucille Smith, and Roscoe Smith, received diplomas. The small number of graduates is accounted for by the addition of the twelfth grade.

Rev. R. S. Arrowood introduced the speaker of the occasion, Rev. Joe H. Carter, D. D. of Newton, N. C. Dr. Carter's address was

Barium Students Make Good Showing

A few weeks ago all of the pupils of the three upper grades of the Barium Springs High School were given a test on Recent Social and Scientific Developments. This test was prepared by the American Council on Education and consists of 116 questions. It has recently been given in many schools in all parts of the country. The results were received recently, and are very gratifying.

We find that our students did as well, or better, than fifty percent of all of those taking the test. The highest grade was made by

Sunday School Clubs Show Further Increase

Again this year we print the lists of Clubs in our Sunday Schools who have given more than one hundred dollars excluding the Thanksgiving offering during the past year.

It is noteworthy that last year we had nothing higher than the 600.00 Club. This year we jump up to the wonderful amount giving by the Myers Park S. S. in amount of $813.64 and Kings Mountain $733.10.

The impressive list of the Clubs follow:

News From Some of the Cottages At Barium

SEWING ROOM

Flash! Flash!

Spring is here and our sewing machines are buzzing beautifully as if in tune to our happiness.

Mrs. Hudson of Statesville has come to be our matron and we all are very fond of her. She isn't just a sweet, considerate, and cheerful matron, but also a close friend to each of us.

Yesterday was Lee Vinson's birthday, and Mrs. Hudson baked a beautiful cake for her. We had a lovely birthday party and Yum! Yum! was it good!

Katherine, Mrs. Hudson's daughter, came up for her spring holiday from Meredith College and while here gave her full time helping us decorate our banquet room. We wish you could have seen it, such eloquent designing. Thank you so much, Kat.

Folks, come to see our matron if you're ever up this way. You can then get an idea of our work. The dresses will be out where you can see them, (on the girls soon though).

How's the present for some gossip?

Blanche Fiemster and Adelia Knight are leaving us shortly to take their places in this world. With them we send our best wishes. Mrs. Hudson says she is going to miss you two and to come back to see us all very soon.

"Red Top" Price is all smiles since her telephone call from her big brother, Mott, Sunday Morning. Welcome Home, Mott, Old Boy!

Esau Davis's ship has at last hit the States and it must have hit hard because Mary Frances is still shaking with tingling excitement.

Since our last news letter Toni De Lancey has come to work with us. You should see the beauty of her work.

Helen Hawley has had another visit from "the man," Leaver Allen Bennett and she has that certain "sparkle" and not only that of her third finger-left hand either.

How is State College getting along now day, Billy? Say, when are you coming to see us and especially Margaret Katen.

Two of our girls were chosen Marshalls because of scholastic work. They were Hannah and Margaret.

Lee Vinson says she wishes you all could have been here for her 18th birthday. Of course the cake is what she enjoyed most.

INFIRMARY

Hello Folks,

We cannot say the same thing we said last month because we have been having quite a few tonsil patients lately.

Hazel Creech, Betty McMannen, and Elsie Vest are glad to be down at the Infirmary and also Vivian Jacumin and Annie Marie Andrews are staying another year and we are all very glad to be together.

School will soon be out and we will start talking about vacations and camp.

We will all miss the seniors but we know they are proud to be graduates of Barium Springs.

Mrs. McNatt our matron had a visit from her son and daughter-in-law.

We enjoy living close to the babies although they do make quite a bit of noise but we know that they have a good time playing in their sandboxes and the swings.

The other day we were reading a ten year old Barium Messenger and we payed special attention to the Infirmary news. We were thinking of the improvements which have been made since then.

This is all for this month, will be back with you next month.

PRINTING OFFICE

Today as the crew entered the shop, after winter activities. The machines made a different hum. Seeming to welcome us back for another summers work.

School is out. The end was welcomed, but we are looking forward to next year, wondering what joy, what surprises it will hold.

All the machines are running except the job press, which hums on with a never ending drone, printing letter heads for our pastor.

The Linotype has just started. It is setting a fraction of the three hundred inches of type, needed for publishing our "Barium Messenger".

This period now could be called, "the calm before the storm," because we are getting ready to publish the "Messenger", and one of our biggest jobs of the year, our annual, "The Spotlight".

We face the summer with eight members: Mr. Edwin Kyles, boss, Mr. Wallace Twombly, shoeman, and assistant printer, Earle Allen, James Reid, Donald Mitchell, Dwight Reid, Edward Walker, and Jimmy Williams.

We have an abundant supply of machines, paper, and working hands. We feel confident that our printing will reach no end.

HOWARD COTTAGE

Hi Friends,

School is out and we are having a wonderful time playing. We will be glad when Bible School starts too.

Some of the girls are moving and we will miss them very much.

Six girls made the honor-roll this month.

Betty Ann Andrews moved from the Infirmary and we are glad to have her with us again.

Edna Ellis and Syliva Sue Buie had visitors over the week-end.

We are looking forward to vacation and camp.

Some of the girls got perfect attendence certificates.

— The Howard Girls

ANNIE LOUISE COTTAGE

Hello Folks,

Well, the day we have been waiting for has finally come. School is out and its time for fun and believe me we have already started having our fun. We did hate to see our seniors leave us but we hope they will come back to see us soon.

After school is out it is time to start moving up to another cottage. We have about six girls who will move to Howard this time and they are so happy about it we can't be sad because they are moving.

We would like to thank our nice friends in Mooresville for the nice box of cookies. They were just super after a hard day's play.

We'll be seeing you next month to let you know how many beans we've strung and also how many toes have been stumped.

— The Annie Louise Girls

LEES COTTAGE

Hello Folks,

Here we are again to bring you the news from our cottage.

School is out for this year and everybody is happy. Most of the boys made their grade

We are looking forward to vacation and then we go to camp for a week. We are planning to have fun this summer.

Cap Jackins is going to keep us busy this summer. We are going to keep the campus clean and help anywhere they need us. We are called the "Floating Group" some of the big boys are working with us and we are having fun.

Billy Black, Tommy Scott, and Palmer Wilcox are the "House Cats"

Mrs. Dawson spent the week-end with us. We enjoyed the Hershey bars she brought us. We are always glad to have company.

All the teachers have gone for the summer and we will miss them. We will be looking forward to seeing them next fall.

We will be glad when it gets warm enough for us to go swimming.

We will be back next month.

— Billy Black & Tommy Scott

RUMPLE HALL

Hello Folks,

We locked the doors to the "Little Red Schoolhouse" Monday, to begin our summer vacation, and we are really looking forward to it.

This is the time of year to be promoted in our cottage as well as in our school grades. All of the seventh grade girls are moving out except Louise Surles. A few of the sixth grade girls and one fifth grader have moved to different cottages to help the matrons.

The days are beginning to get so hot that we are counting the days until the swimming pool opens.

Our dining room matron, Mrs. Woods, took us to the show last night. We saw a technicolor musical. "Zeigfeld Follies." It was very good.

So long until next month.

Dwight Spencer of the eleventh grade. His grade was better than 95 percent of the pupils of his grade who took the test in the country as a whole. A few others who made exceptionally good grades were Amos Hardy, W. A. Johnson, Lee Vinson, Tommy Hudgins, and Charles Barrett. All of those named made grades that were better than 70 percent of those taking the test in the entire country.

During the weeks immediately preceding the close of school chapel programs were given by each of the elementary grades, all of the children in these grades taking part; the seniors gave a three act play, "Don't Darken My Door", in which all of the seniors had important parts; and two piano recitals were given by Miss Green's piano pupils, one by the elementary and one by the high school pupils.

Thus ended what we at Barium feel was a very successful school year.
